That Was Then . . .

This Is Now

What's it all about?

Twenty years of memories! Yearbooks have a way of capturing those special moments that might otherwise be forgotten. This year, we have tried to highlight the events which have taken place around Eastern Randolph. At the same time, in recognition of our school's 20th anniversary, we have tried to take a quick glance at the past two decades of our school's history.

In searching for an appropriate theme for this year's book, we looked for one that would include both our past and present

memories of Eastern Randolph. After a lot of brainstorming and consideration, we have chosen the theme "That was Then . . . THIS IS NOW." We hope that you will enjoy and experience each page of this book, as we have enjoyed and experienced putting it together. May the next two decades at Eastern Randolph be as successful as the last two! Happy 20th Anniversary ER!

Hard Work and Dedication Pays off for Jane Rhodes

"Above all else, the teacher's role is to instill a love of learning which goes beyond the years of a formal education."

— Jane Rhodes

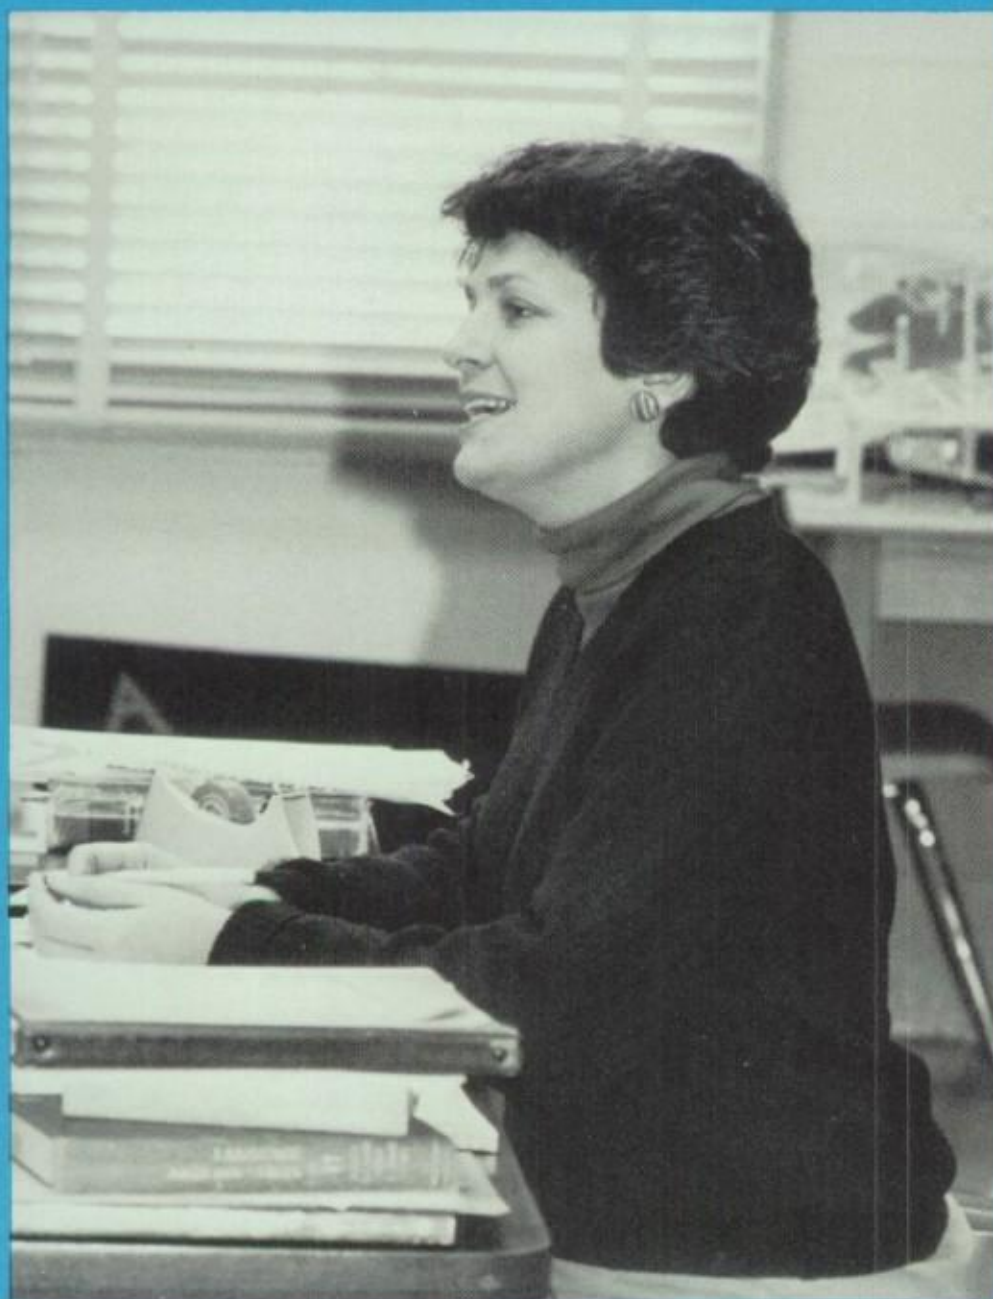

Mrs. Rhodes greets her class with a smile.

1987-1988 has certainly been an exciting year for Jane Rhodes. Mrs. Rhodes, who has taught English at Eastern Randolph for eleven years, was named Randolph County teacher of the Year. In addition to this honor, the senior class has chosen her to be the recipient of this year's Links dedication.

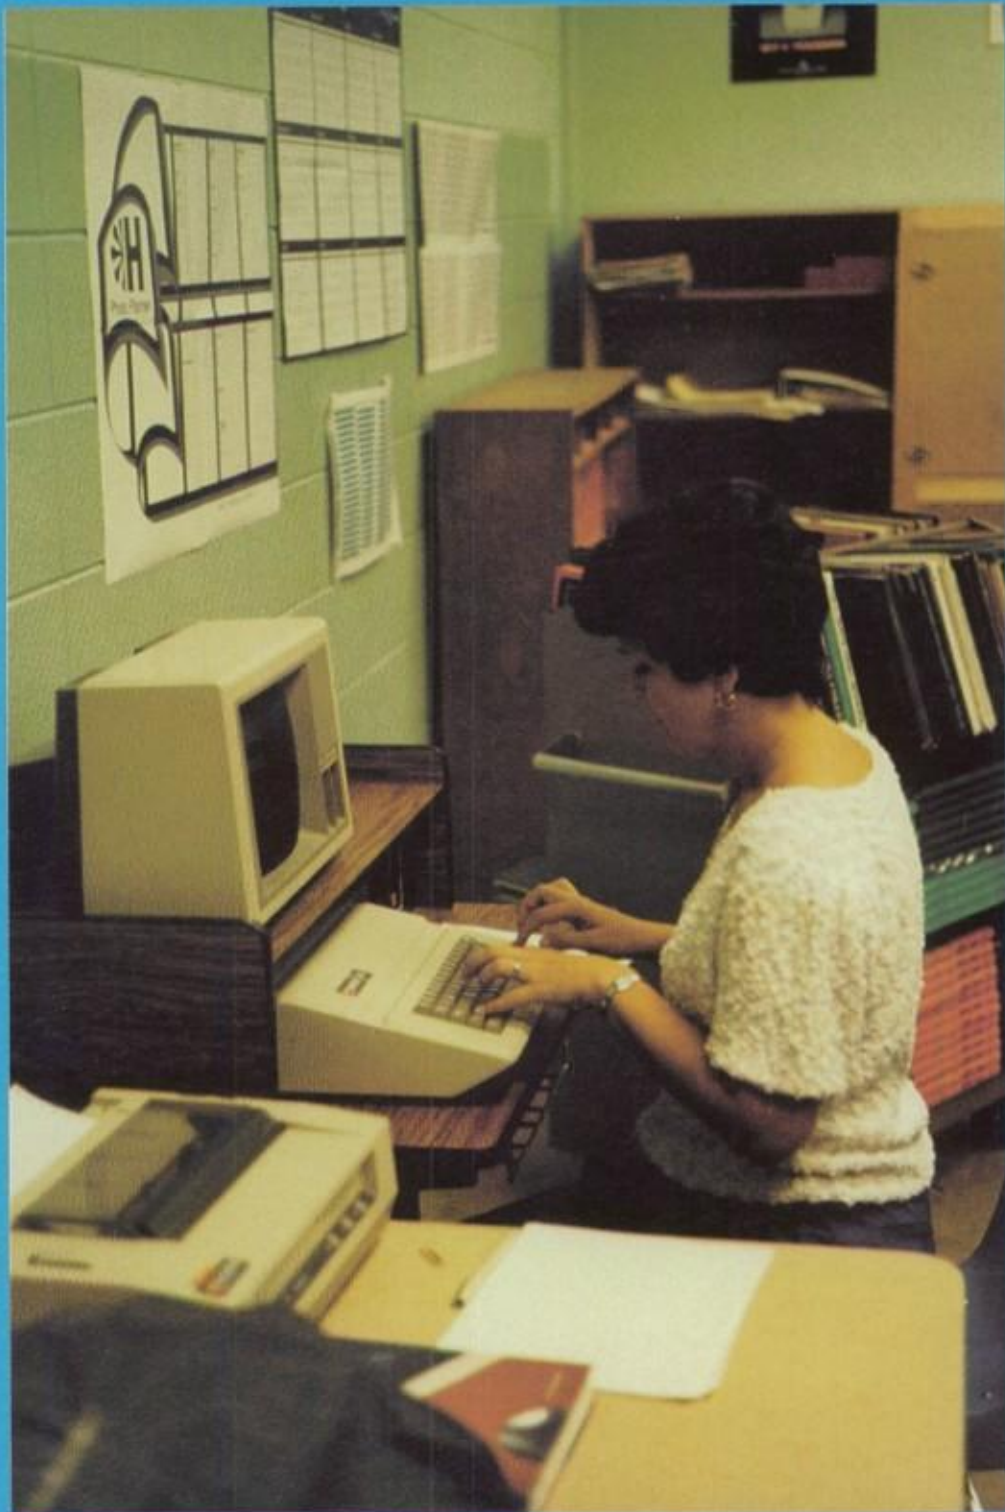

A graduate of the University of North Carolina at Greensboro, Rhodes is a member of the NCAE, NEA and Alpha Delta Kappa Gamma educational sorority. She serves as senior class advisor and as a mentor teacher. Prior to teaching at Eastern, she taught at Grimsley High School in Greensboro from 1974-1976. Her first teaching posi-

tion was at East Surry High School in Pilot Mountain from 1973-1974. Mrs. Rhodes is married and has two children, Katie 9 and Alex 6.

In regard to Mrs. Rhodes' teaching, Kelli Smith, a former student said, "Mrs. Rhodes' humor and contemporary outlook makes English enjoyable and keeps us awake." Mr. Whitley, principal, said of Mrs. Rhodes, "I took great pleasure in recommending Jane Rhodes as Teacher of the Year. Mrs. Rhodes has many outstanding qualities that enhance not only the education of her students but the professional development of her fellow teachers as well." Congratulations Mrs. Rhodes!

PRETTY dress Mrs. Rhodes!

Wildcats' Spirit Explodes

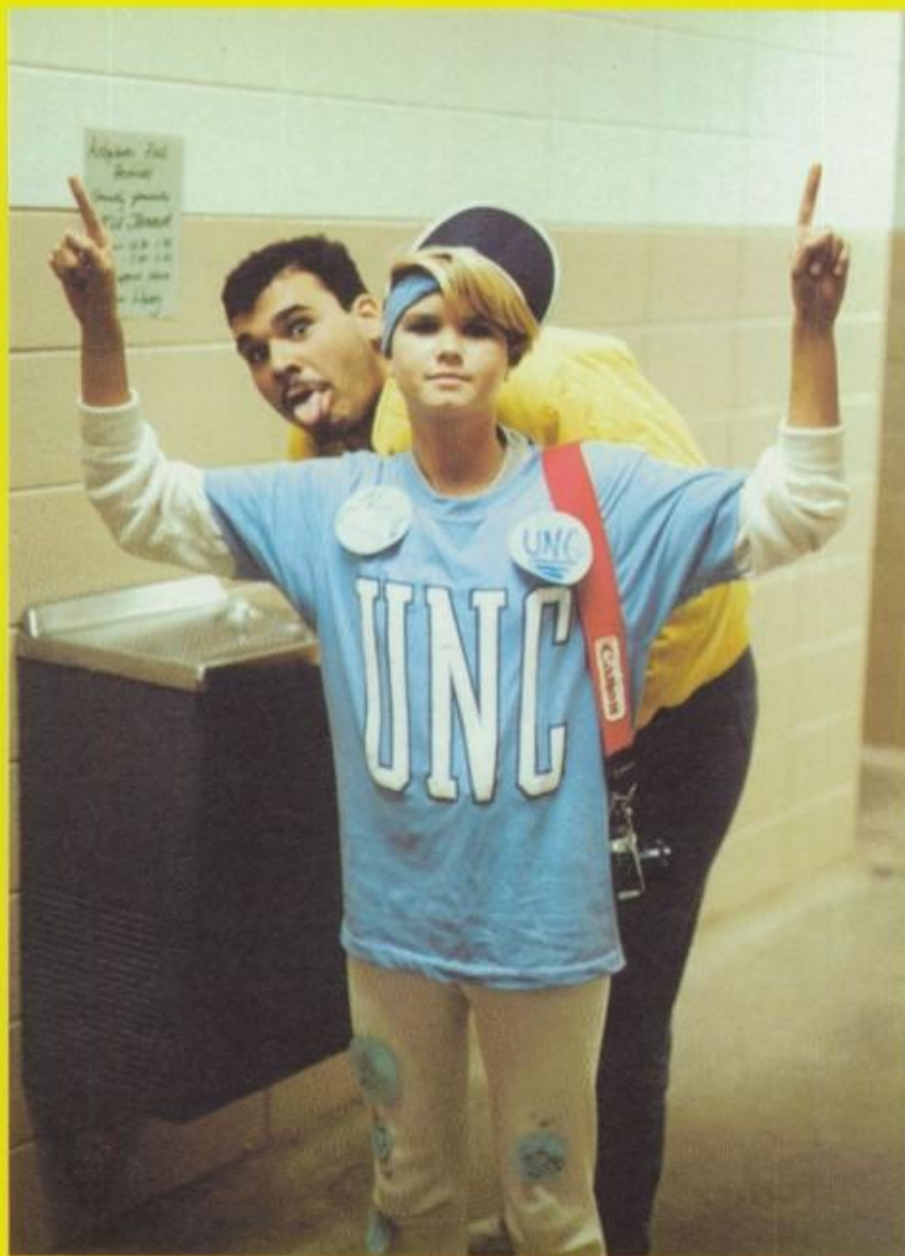

The Junior class shares first place honors with the seniors in this year's banner contest.

Shane Cox displays his femininity as he is crowned Mock Homecoming Queen during the pep rally on Friday.

Adrian Dawes, dressed up as a toddler for Kiddie Day, watches pre-homecoming action on the football field.

Crystal "Miss Spirit" Coley shows off her ACC spirit on B-hall as Todd Hall gets a quick drink of water before class.

SPIRIT WEEK

Coach Hardin, Denise Westmorland, Crystal Coley, Reggie Allred and Shawn Thompson walk away with top spirit honors.

Can you believe Brud Johnson could ever look this pretty?

. . . Throughout the Week!

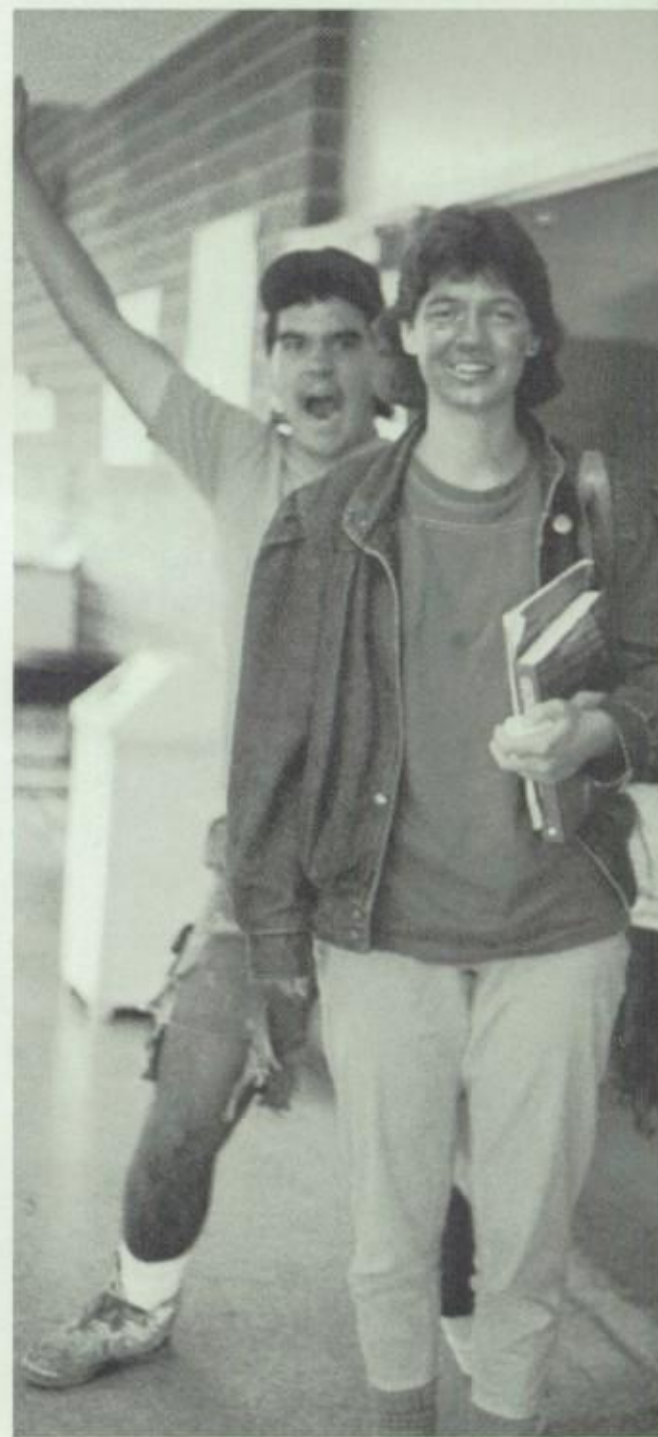

Spirit Week exploded around ER from October 5-9. This year daily themes were: ACC Day, Slick or Hick Day, Push 'em back Day, 50 Kiddie Day, and Green and Gold Day. On Monday, students were encouraged to come dressed in their favorite ACC team colors. Tuesday students came either as city slicks or country hicks. On Wednesday, students dressed representing a particular decade from 1950-1970. Thursday the halls were filled with students dressed as babies and toddlers. On Friday, the week concluded as students and faculty showed their school spirit by wearing our school colors of green and gold.

The highlight of the week was the annual Homecoming Pep Rally. During the

pep rally each class displayed a banner which they had been working on all week. This year the juniors and seniors shared first place honors in the contest. Coach Greg Hardin, Crystal Coley, Denise Westmoreland, Reggie Allred, and Shawn Thompson were voted most spirited for the week. ER's band and color guard entertained the student body. The main event of the pep rally was crowning of this year's Mock Homecoming Queen. This year's winner was Shane "Shywana" Cox escorted by Lori "Lester" Allred. Later in the evening our Varsity football team defeated Bartlett-Yancey by a score of 23-8. A Homecoming dance was sponsored after the game.

Juniors seem to be getting into more trouble still.

Honey was on top of things on Green and Gold day, while Jimbo acts his normal self.

The color guard shows their skill at what they do best.

Now that's my idea of a real man.

Eat your heart out girls.

Wouldn't your mom and dad be pleased if you brought home Ben "Barbara" Owen for dinner?

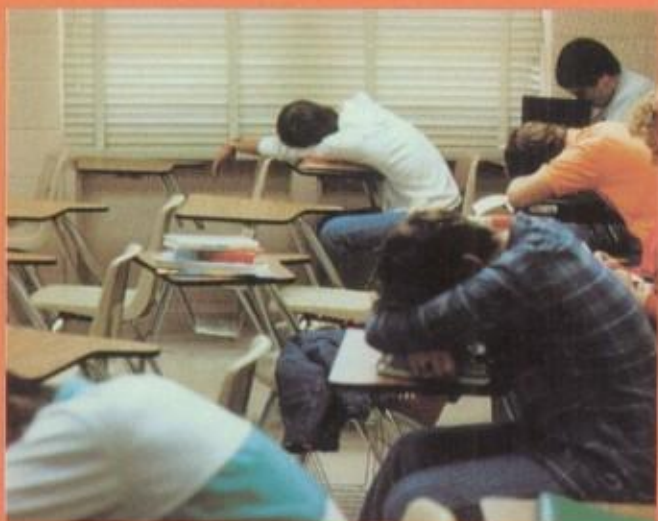

Life Around ER

Vocabulary lists, math problems, historical facts, scientific formulas, and more. Class life keeps everyone busy. It takes only a moment to walk through the halls of the school to see that students and teachers are at work. The sound of the video "The Scarlet Letter" on B-hall, Mr. Wooten's voice discussing economic systems on D-hall, the smell of food cooking on E-hall, computers printing on G-hall, music and voices on R-hall, and

hammers on V-hall; these are the sounds of class life. Inside the classroom is where the real action takes place.

In addition to the instructing and paper work, a lot of fun and good times occur inside the classroom. Paper thrown across the room while the teacher's back is turned, pencils sharpened while the teacher lectures, heads down and sound asleep on desks, and more add to the memories that will never be forgotten.

Joseph Barton, Jerome Green, Robert Baldwin, and Tim Clay hang out behind the vocational building during break.

Study hall — a great place to catch a quick nap.

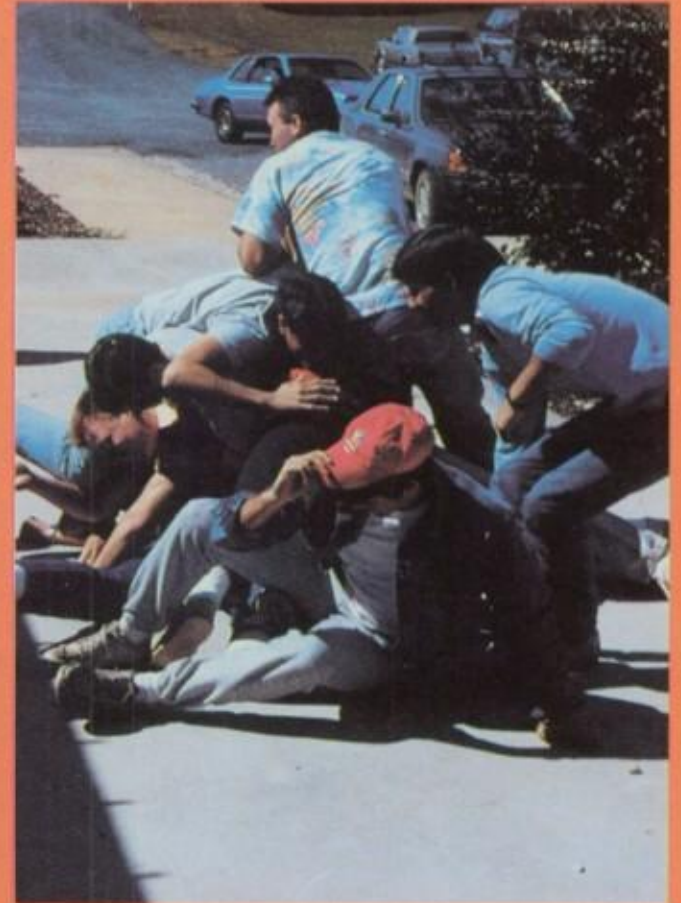

Students relax after lunch in the Catsquare to discuss plans for the weekend.

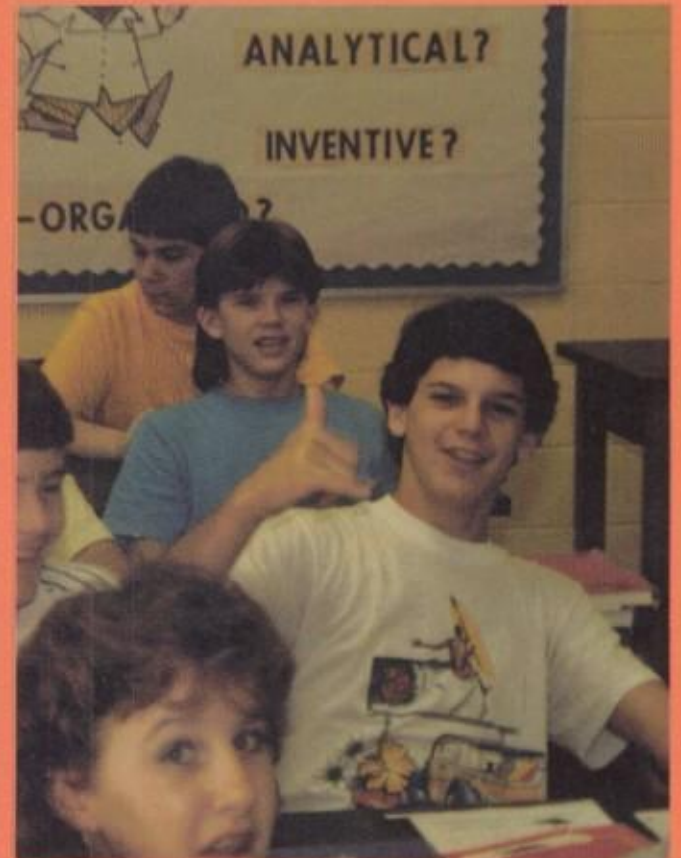

The day Reggie got a "weggie".

Otherwise known as the pack, senior guys enjoy yet another "pile on" after lunch.

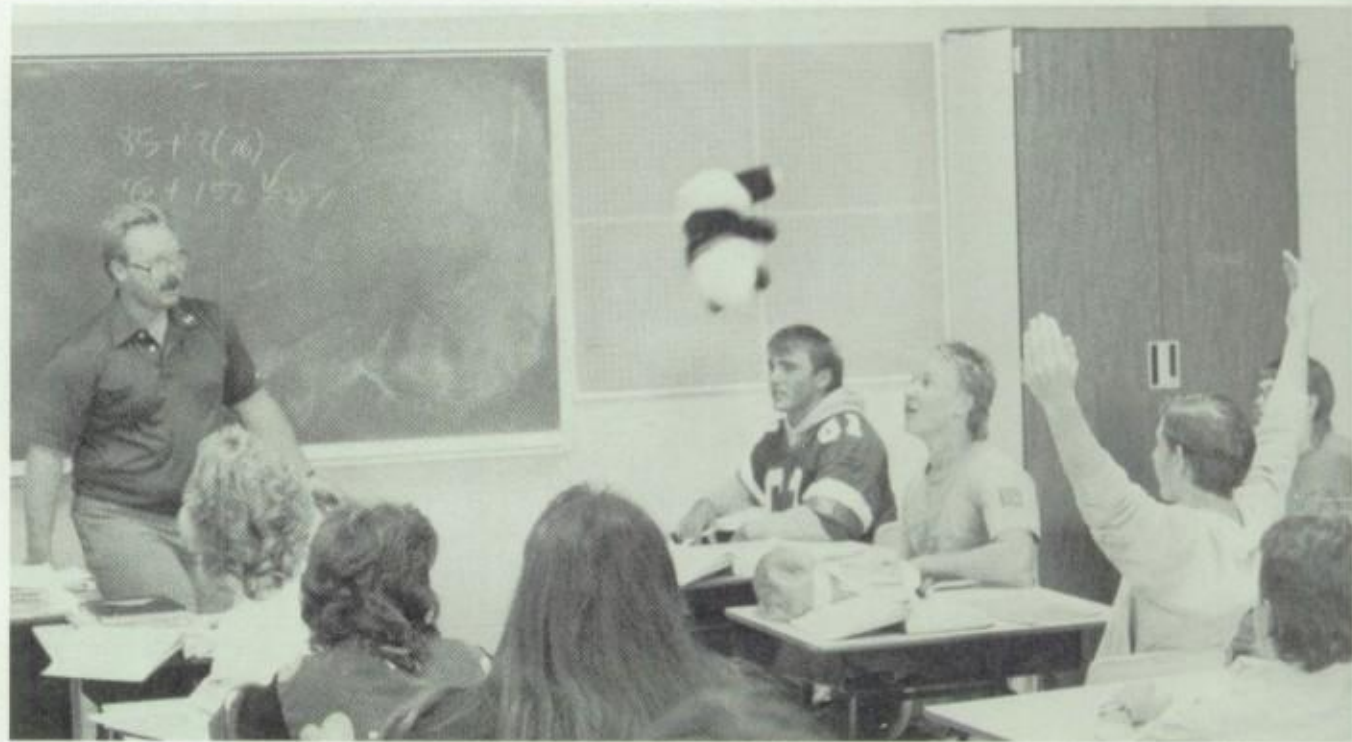

Seniors Brian Ritch, Chris Shelton, Kevin Scruggs, Ben Owen, and Jason Byrd dress for Mead Hall in Ms. Burch's room.

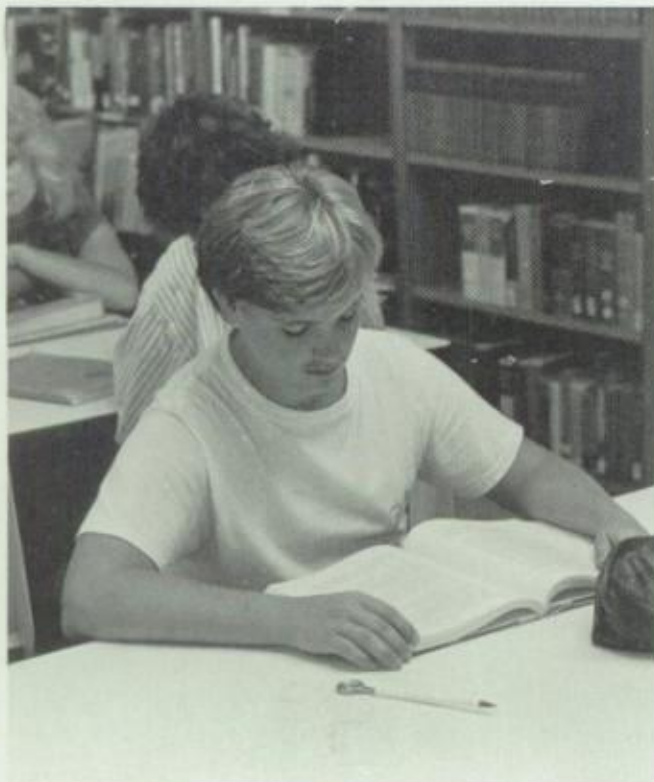

Freshmen guys are excited that the yearbook photographer is actually taking their picture.

Life Styles at ER

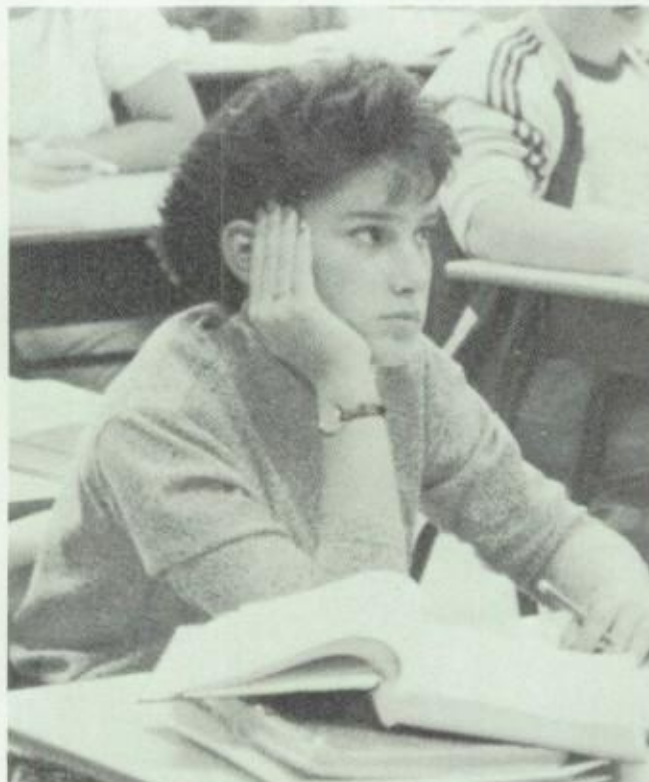

Have you ever seen such enthusiastic and ready to learn students?

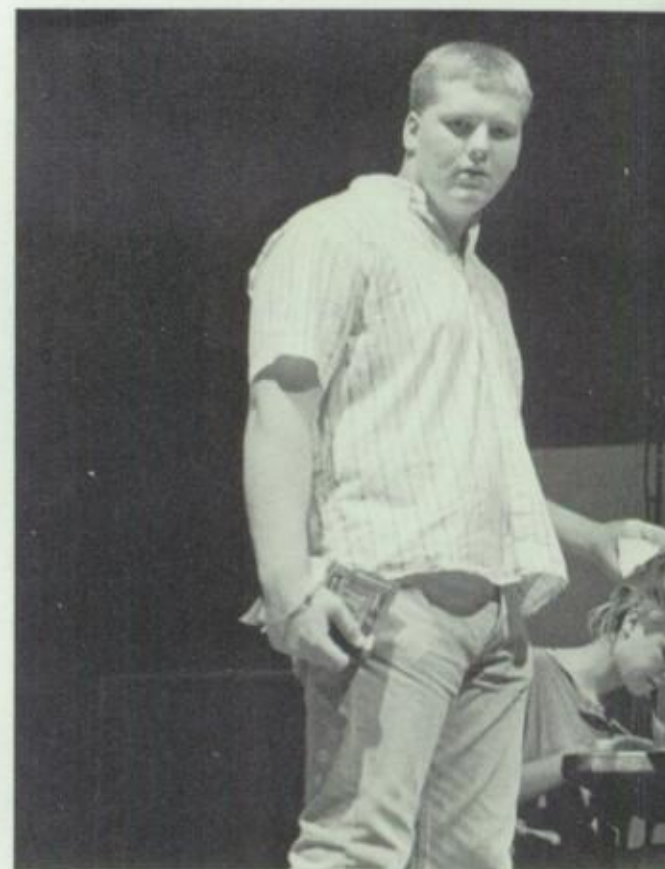

Coach Hardin's 3rd period takes time out for some "Pandamania."

Marty Hughes pretends to be studying. I wonder if the teacher is walking by?

"Give me a break!" says Carla Johnson.

Mike Kidd and Allen Fogleman wait to have their pictures taken.

Newly found love, Eric Arnold, is carried across the threshold by Jared Patterson.

Are these two real men? . . . No?

1987 Homecoming Lisa Passarini

Halftime activities Homecoming night highlight the week's events. Crowning this year's Homecoming Queen was a very exciting moment. This year the lucky young lady was Ms. Lisa Passarini. Lisa was escorted by her brother, Joey.

Lisa, a native of Framingham, Massachusetts, participated in cheerleading and served as co-editor of this year's Links. She plans to attend GTCC where she will concentrate on her cosmetology license. Her hobbies include: playing the piano, water skiing, sky diving, and being outdoors on pretty days. Lisa credited her mother and her stepfather as being the most influential people in her life. Finally, when asked how she felt as she was crowned queen, Lisa replied, "I was overwhelmed and thrilled to death!"

ER Spotlights New Faces

ER welcomed three new faces this year: Ms. Teresa Shaw, Mrs. Leeann Cronk, and Mr. Jimmy Hart. Ms. Shaw, better known as "Coach Shaw," currently lives in Burlington, N.C. She attended Pembroke State University where she majored in mathematics. She taught several different levels of math courses this year. Along with teaching math, she coached jayvee girls basketball and girls track. She also assisted with varsity girls basketball.

Mrs. Leeann Cronk, a recent graduate from Appalachian State University, originally came to ER to do her student teaching with Mr. Allen in the Science Department. Once her student teaching assignment was finished she became a full-time teacher replacing Mrs. Confer second semester. Mrs. Cronk taught chemistry, physics, and physical science courses this year. She also served as sponsor for the Health Careers club.

Coach Jimmy Hart attended Elon College. He taught a variety of classes at ER this year including: American citizenship, physical science, and Advanced P.E. Before coming to ER Coach Hart coached boys basketball for three years at Northwood High School in Pittsboro, N.C. After spending a year at the coast he decided to return to the ER area to teach and coach varsity boys basketball.

Welcome Back Old Friends

Julia Burch and Neill Kivett, new teachers at ER this year, were certainly not strangers. Both Ms. Burch and Mr. Kivett were recent graduates of Eastern Randolph High School. Ms. Burch graduated from ER in 1983 and Mr. Kivett in 1982. Ms. Burch attended UNC-G where she majored in English. She taught senior English along with advising the Journalism class this year. In addition to teaching, Ms. Burch sponsored the jayvee cheerleading squad.

Mr. Kivett graduated from Lenoir-Rhyne College. A former baseball and football stand-out at ER, Mr. Kivett went on to play baseball and football at LR. He majored in social studies. This year at ER he taught American citizenship. His coaching responsibilities included: jayvee football, jayvee baseball and assisting with the varsity football team. He was also a sponsor for the Pep Club.

Eastern's Own Touch of Sweden

This year Eastern Randolph was fortunate to have Ms. Christin Hammarqvist as an exchange student. Christin, 17 years old, is a native of northern Sweden. She was hosted by the Pressler family during her stay in North Carolina. Christin plans to return to Sweden where she will pursue a career as a lawyer.

When asked about life in the United States compared to life in northern Sweden, Christin mentioned several interesting facts. In general she viewed American people as being more friendly and easier to talk to than people in Europe. "In Sweden you just do not walk down the street and speak to strangers," said Christin. She also enjoyed the shopping malls, drive-thru fast food restaurants, the N.C. weather, and celebrating Thanksgiving and Halloween, which she was unfamiliar with until visiting the U.S.

In Sweden, Christin explained that teenagers have much less free time than in America. She spent approximately thirty-two hours a week in school and studied several hours at night. She commented on one interesting difference between American students and Swedish ones. She said, "They work too much here." She was very surprised to see American students working part-time jobs. One similarity between the two countries was that the teenagers in Sweden like to go out dancing on the weekends and have fun just like American teenagers.

Christin enjoys Madame Bennett's French class.

An apple a day keeps this girl smilin'.

Bonjour Christine!

BEHIND THE BOOK

The Yearbook Staff began its work in July, long before school opened in August. Environmental Pictures were taken July 14th and 15th, which meant that Yearbook members were hard at work assisting the photographers. The annual ad sales were kicked off in July also.

Once school began there was never a dull moment in room B-8. The staff attended a Hunter Publishing workshop in Greensboro in September. Many long hours of hard work after school and on weekends were experienced until March

when the book was complete! Once the final deadline was in the mail to the publishing company, staff members were hard at work on next year's theme, spring sports, and end of the year sales. Everyone waited anxiously for the books to arrive in May. A special dedication ceremony celebrating ER's 20th Anniversary was held in the gym once the books arrived safely at ER. Editors this year were Crystal Coley and Lisa Passarini. The staff was advised by Ms. Jennifer Clark.

JV Cheerleaders

The Junior Varsity cheerleading squad may have been small in number but they were big on spirit. The girls spent their summer practicing at the home of chief, Tina Davis. The squad continued practicing twice a week through football season, with the assistance of Beth Brady, a 1985 E.R. graduate and former varsity cheerleader.

A change in sponsorship of the JV cheerleaders was made prior to the beginning of the school year. Former sponsor, Rosemary Odom, handed down the duties of sponsorship to first-year teacher Julie Burch. Sandy Hardin and Jo Keller took on the duties of co-sponsors and assisted throughout the year.

VARSITY CHEERLEADERS

The 1987-88 Varsity cheerleading squad consisted of one senior, seven juniors, and four sophomores. With only three veteran varsity cheerleaders, the squad had to work extremely hard to prepare for the competitive week-long summer camp. The squad received numerous blue ribbons and the prized "Spirit Stick."

Under the leadership of Robin Cox, the squad added a new life to Varsity athletics. Themes for this year's pep rallies were: "Wildcat wipe-out," Mock Homecoming and Wildcat Basketball. ER's athletic department and fans appreciate the hard work and enthusiasm of the Varsity Cheerleaders.

Golf 1987

The 1987 Golf team finished in second place behind Western Alamance. The team's final conference selection, led the Wildcats throughout the season. In looking ahead, Coach Wooten anticipates a more competitive effort from each player next season as several members of the '87 team will be returning in '88. Experience will be the key for a successful season. Members of the '87 team were: Elroy Black, Gary Caudle, Tim Clark, Jimmy Cox, Mike Leonard, and Tony York.

Softball 1987

The 1987 Softball team worked hard and had a lot of fun. Although their record did not reflect a winning season, Coach John Maness was proud of his team and felt they had a successful season. Coach Maness attributed much of the team's success to the play of senior Tab Mason, who was named All-Conference shortstop and voted MVP by her teammates. Angel Kidd and Lisa Ward did an excellent job pinching, while Lynn Hamlet, Laura Cheek, and Sue Morrow put forth a great defensive effort. Coach Maness looks forward to successful '88 season as a hard-working group of sophomore and Junior girls return to his squad.

ER's athletic department expanded by adding a tennis team in the spring of '87. Although the team was young and inexperienced, they were very determined and worked hard. The team consisted of eight guys and one girl. Home matches were played on the Reed Creek courts in Ramseur. Coach Wade Garrett looks forward to a much stronger squad in '88.

Boys Track

The ER Boys' Track team was led by senior Reggie Alston. Coach Dick Oliver cited Alston as one of the best track performers in Eastern's history. Reggie broke school records in hurdles on nine different occasions last season. Overall, the team worked real hard with its greatest strengths being the field events and hurdles. Sophomore, David Foster placed second in the conference in the disc event. Chris Garrett performed outstandingly in the 1600 meter and 3200 meter distance events. Another highlight of the '87 season was during the conference meet at Williams High School when Reggie Alston, Brad Cain, Jed Routh, and Tony Kinney broke the school record in the 1600 meter relay.

JV Girls Basketball

Coach Teresa Shaw reflected on her first season of Jayvee Girls' Basketball as "a learning experience." Filling a schedule of ten games was tough. Christmas break and the cancellation of several games because of bad weather did not help the situation of the team. However, the girls made the best of the tough situation. Coach Shaw used several different starting line-ups throughout the season as she worked hard to find a winning combination of players.

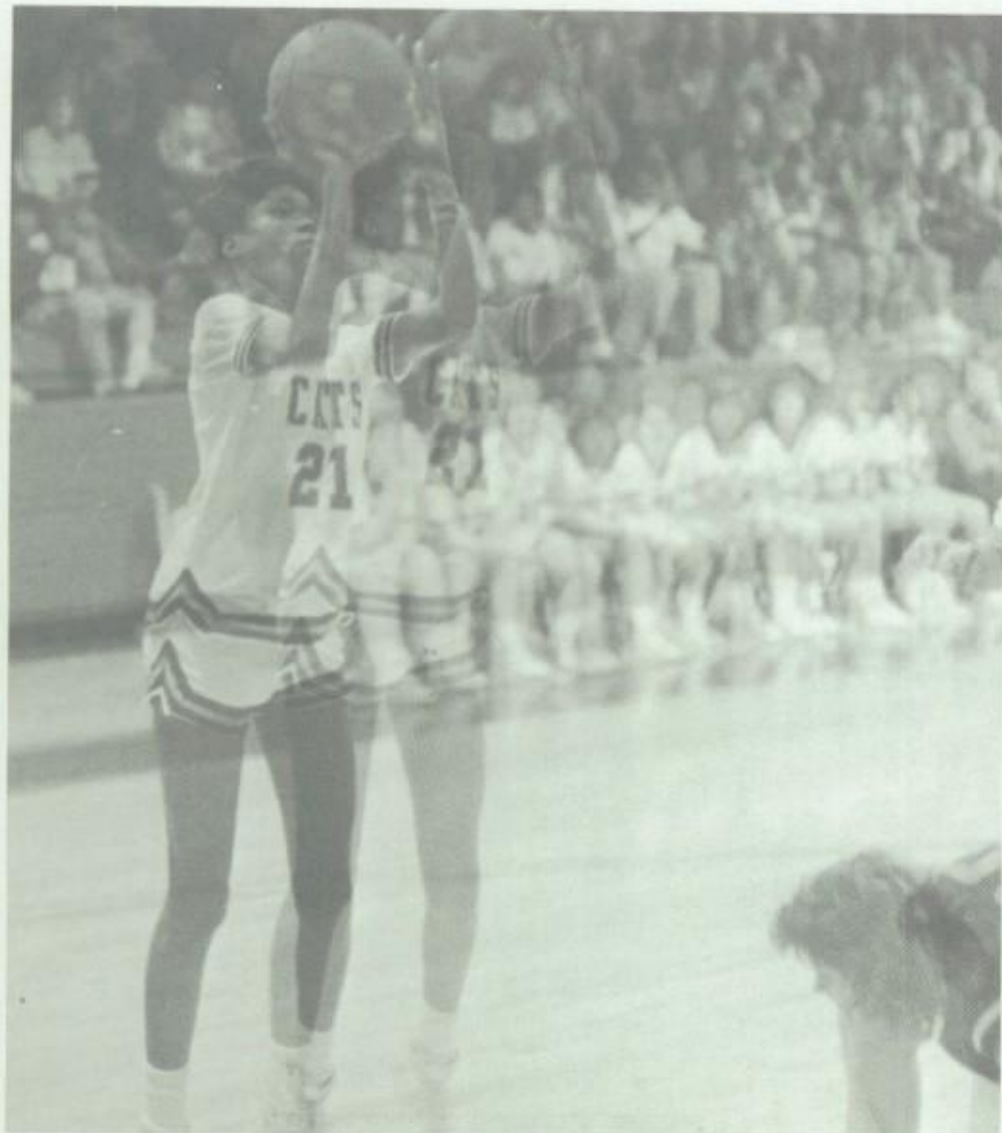

The team was led by LaVonda Leak, who was moved up to the varsity squad by the end of the season. Coach Shaw hopes to improve the team's 2-5 record in '88. She was proud of the girls' hard work and effort.

Varsity Basketball

Coach Jimmy Hart, in his first year of coaching at ER, summed up the '87-'88 season as "a year of peaks and valleys." His squad did not finish as well as he had hoped before the season began. The team faced many obstacles such as lack of experience, team quickness, and injuries.

The highlight of the season was an exciting come from behind victory over Asheboro. In spite of the team's record, Coach Hart felt that the players played hard and had a positive experience being a part of the ER program. He was especially proud of senior Chris Shelton who was named to the Mid-State All-Conference team at the end of the season.
